Content and scope of services

Description	Rate, USD	Qty, hrs	Total, USD
Written translation English-Russian and Russian-English	16.25	21.59	350.84
Ensuring consistency: active use of translation memory and Concordance search to maintain consistency with previously translated segments and approved terminology.	15	38.86	582.9
Terminology management (glossary creation and maintenance): developing a project glossary, adding new terms, verifying existing entries for correctness (form, case, consistency), and adding forbidden variants.	15	25.91	388.65
Editing and stylistic revision: self-review of the translated text for grammatical, spelling, and punctuation errors, as well as assessing stylistic fluency and readability.	15	17.27	259.05
Translation execution: performing translation from the source language into the target language, ensuring accurate meaning transfer, preservation of the original style, and compliance with cultural norms of the target audience.	15	43.18	647.7

Quality control: performing formal QA checks using specialized tools to identify omissions, numerical inconsistencies, formatting issues, and other technical errors. Final file readiness check, including spellcheck and compliance with all points of the client's technical assignment.	15	43.18	647.7
Analysis of incoming materials and requirements: review of the source text, technical assignment, provided reference materials, and client instructions before starting work.	12	30.22	362.64
Written translation Chinese-Russian and Russian-Chinese	13	43.18	561.34
Feedback implementation: processing client or editor comments (if предусмотрено процессом), making necessary changes to the translation, and updating the glossary/translation memory.	12	43.18	518.16
Contextual research and query management: searching for additional information to clarify context; formulating and sending queries to the project manager or client when uncertainties arise.	12	21.59	259.08
Written translation Serbian-Russian	13	30.22	392.86
Source text comparison: final comparison of the translation with the original to ensure no meaning distortion, omissions, or unnecessary additions.	12	21.58	258.93
		Total	**5,229.85**
